They were introduced to the various extracurricular activities, the club activities, the various student organisations and the scholarship schemes. An academic component to the orientation was given to the new students so that they could take the advantage of the transition from high school to college. This also aimed at giving a strong overview of academic expectations, so that the students will be better prepared to meet the challenges of collegiate academics. The session was further given more impetus with the discussions, clarifications and interactions with the students.
