PADMABHOOSHAN BHARATA KESARI

SRI. MANNATHU PADMANABHAN

(**1878-1970**)

FOUNDER, NAIR SERVICE SOCIETY

ABOUT THE FOUNDER

Sri. Mannathu Padmanabhan, the peerless leader of Nair Community, the immortal founder of the Nair Service Society and the great social reformer was born in the closing decades of the 19th century in Perunnai, a village in Changanacherry taluk of the erstwhile state of Travancore as the son of middle-class parents. Abject poverty, misery and deprivation marked the early years of his life. After school education he became a teacher and then a pleader. Before long he found himself drawn into the vortex of political and social movements. The plight of the Nair Community that was witnessing its own decadence and disintegration, precipitated by extravaganza, superstitious veneration for antiquated and anachronistic customs and tradition, filled him with anguish. He marshalled his skill and organizational ability to motivate, inspire and mobilize the community that was lost in a long and deep slumber. The Nair Service Society which he conceived, nursed and nurtured epitomized the hopes and aspirations of the community which had been waiting for a saviour.

Mannam's personal life was inextricably intertwined with the history of the N.S.S. He travelled extensively through the state, met the people, organized them and won their love and regard with the help of his disarming simplicity, single-minded devotion, will and determination. Impregnable fortress of superstition and formidable citadel of resistance crumbled before his all-conquering and awe-inspiring personality. Gradually he built an empire out of nothing. The prestigious institutions founded by him would perpetuate his memory. Captivated by Mahatma Gandhi and his principles of Satyagraha, Mannam led a Satyagraha march called "Savarnajatha" for the sake of the untouchables. It ultimately led to the "Temple Entry Proclamation". The dynamic roles he played in the "Vaikom Satyagraham" and in the independence struggle and his subsequent imprisonment and his initiatives aimed at communal harmony, peace and social changes turned him into a legend in his life time. The major milestones in the history of the N.S.S intersect the social, political and cultural history of Kerala. Mannam passed away at the ripe age of 93. The story of his life is the stuff, fairy tales are made of. The touch of his magic wand revived and resurrected the entire community. He taught them the philosophy of action, the value of unity and above all the need to change. His legacy is undiminished by passage of time. He lives through generations.

CHOICE BASED CREDIT AND SEMESTER SYSTEM

Calicut University regulations are framed in accordance with UGC guidelines on restructuring undergraduate education from 2019 academic year. Accordingly, all affiliated colleges have restructured the regular undergraduate programmes on the Choice Based Credit Semester System (CBCSS), a combination of internal and external evaluation with grading.

Semester &Duration

Semester means a term consisting of 18 weeks (16 instructional weeks and two weeks for examination).The duration of a UG programme shall be 6 semesters distributed over a period of 3 academic years.

Courses

The UG programme shall include five types of courses, *viz*., Common Courses, Core courses, Complementary courses, Open Course and Audit courses.

Credit &Grade

Credit of a course measure is measure of weekly unit of work involving lecture or laboratory sessions or seminar or similar activity designed for the course. Each credit hour is roughly equivalent to one hour of class per week in a semester. 'Grade' indicates the level of performance of a student in a course.

Grade Point

It is an integer indicating the numerical equivalent of the broad level of performance of a student in a course. The product of Grade Point and the Credit of a course is called 'Credit Point'. Grade Point means point given to a letter grade on 10 point scale.

Semester Grade Point Average (SGPA)

It is the value obtained by dividing the sum of credit points obtained by a student in the various courses taken in a semester by the total number of credits in that semester. SGPA shall be rounded off to three decimal places.

Cumulative Grade Point Average (CGPA)

It is the value obtained by dividing the sum of credit points in all the semesters taken by the student for the entire programme by the total number of credits in the entire programme and shall be rounded off to three decimal places.

Extra credit Activities:

Extra credits are mandatory for the programme. Extra credits will be awarded to students who participate in activities like NCC, NSS and Swachh Bharat. Those students who could not join in any of the above activities have to undergo Calicut University Social Service Programme (CUSSP). Extra credits are not counted for SGPA or CGPA.

Grace Marks

Grace marks may be awarded to a student for meritorious achievements in co-curricular activities (in Sports/Arts/NSS/NCC/Student Entrepreneurship) carried out besides the regular hours. Such a benefit is applicable and limited to a maximum of 8 courses in an academic year spreading   over   two semesters. In addition, maximum of 6 marks per semester can be awarded   to the students of UG Programmes, for participating in the College Fitness Education Programme (COFE).

In CUSSP, a student has to complete 12 days of social service. This has to be completed in the first four semesters; 3 days in each semester.
