

NSS COLLEGE OTTAPALAM
ACTION TAKEN REPORT 2021-22

Action Taken as per Student feedback

- Subjects such as arts, sciences, and commerce should include topics that are relevant today. These were discussed with educators who sit on the Board of Studies, and members of the syndicate were also notified of the same.
- Slow learners were placed in remedial classes in an effort to raise their performance levels.
- The majority of science, art, and business students' courses include instructional and field trips, per recommendations. It is also advised to do industrial excursions to close the gap between application and experiential learning.
- Based on the advice of the students, workshops on stress management and personality development were designed.
- In order to close the gap between academics and the current state of the world, faculty members were urged to revise the curriculum as needed.
- In accordance with the most recent syllabus edition, faculty members were requested to recommend books.
- Teachers were requested to include more courses with added value on the syllabus after getting board of studies approval.
- Encouragement was given to a learning management system that allows for interactive teacher-student contact. Technology was used to make smart classrooms, video conferencing, etc. effective.
- Students were given case study homework. They were able to learn how to solve problems as a result.
- Students should be taught human values and social awareness in addition to regular subjects. All academic activities on campus are connected to WI-FI by the college.

Action taken as per faculty feedback

- Plans call for faculty development initiatives to begin at the institutional level in order to foster effective teaching, learning, and mentoring as well as research.
- Every faculty member must put up a lot of effort to increase the students' strength.
- When required, small adjustments are done.
- When necessary, staff members are free to voice their opinions for the college's improvement.
- Classrooms, canteens, and restrooms are kept clean and hygienic.
- The college library keeps up to date by using the PD budget to buy new books and journals each year.

Action Taken Report as per Alumnae feedback

- The faculty members in the IQAC meeting were made aware of the analysis and recommendations provided by the alumni in their comments. Following a discussion of the issue, the following steps were taken
- The college attempts to provide support of alumni in annual gathering; it also calls on students to be resource persons and welcomes them to engage in activities and events whenever possible, particularly during the IUG induction program.
- Three water purifiers have been constructed on campus by the college.

Action taken report Parent feedback

- Every department was requested to create a parent WhatsApp group in an effort to strengthen the bonds between teachers and parents.
- The requirement to wear an identity card while on campus was implemented to enhance discipline.
- Short-term vocational programs are started with PTS assistance.
- NSS was asked to organize events for all first-year students, such as a rally and cleanup of a nearby adopted hamlet, with the goal of fostering social responsibility in the students.
